Experience

Tulane Environmental Law Clinic

Feb. 2020-current

Clinical Assistant Professor of Law

- Supervise and counsel second and third year law students in all aspects of legal practice, client representation, and case management in litigation and regulatory environmental law practice, including student attorney appearances in federal, state, and local courts.
- Manage docket of litigation and regulatory matters.
- Provide constructive criticism and feedback on students' written work and professional performance.
- Counsel students in academic, personal, and career matters.

Murray Law Firm

Oct. 2015-Jan. 2020

Associate Attorney

- Represented clients in environmental, toxic tort, and product liability cases for a boutique plaintiff's firm focused on complex, high-stakes litigation.
- Litigated environmental law cases in Louisiana courts, specifically involving pollution of property formerly used for oil & gas operations.
- Represented clients in a mass tort action for asbestos exposure in the territorial court of the United States Virgin Islands.
