### 2021 International Arbitration Competition Problems

Competitors may use statistics and information beyond what is merely represented on this page and on the comparable player market pages but only for the admissible years indicated in each of the cases above.

Please note: This problem set contains two pages, and three problems.

#### Problem 1:

##### 2018 Aaron Nola v. Philadelphia Phillies

Only publicly available statistics through the 2018 season and publicly available information through February 28, 2019 are admissible; meaning, 2019 and 2020 stats, events on or after March 1, 2019, and Aaron Nola's actual multi-year agreement may not be referenced or discussed.

Problem 3:

*2020 Walker Buehler v. Los Angeles Dodgers*

Only publicly available statistics through the 2020 season and publicly available information through November 30, 2020 are admissible; meaning, events on or after December 1, 2020 may not be referenced or discussed. Further, advocates are free to make any arguments they so choose with respect to the 2020 season and 2020 statistics, provided that such arguments are consistent with Article VI of the Basic Agreement on the admissible criteria in Salary Arbitration.
