

2022 PRO BASKETBALL NEGOTIATION COMPETITION

CONFIDENTIAL AGENT INFORMATION - COLLIN SEXTON

Championship

You represent Collin Sexton and are entering into discussions with the Cleveland Cavaliers to negotiate a new contract.

It is July 7th, and we are a few days into Free Agency.

- Collin is a Restricted Free Agent (RFA) after failing to reach an Extension before the 21-22 season. Further complicating matters, Cleveland traded for Caris LeVert, and have not been transparent about Collin's future with the team.
- Despite being confident that Collin would have a robust market, you have had little to no traction on securing him an Offer Sheet.
- Even worse, the major Restricted Free Agents have already come off of the board, and you do not have a team lined up to give Collin an Offer Sheet. Therefore, you would like to work with Cleveland to bring him back.
- You understand that Cleveland has the leverage and may try to include team friendly terms. Agree to a deal if it makes sense...

...Keep in mind your alternatives if you do not come to a deal today
