

2022 PRO BASKETBALL NEGOTIATION COMPETITION

CONFIDENTIAL TEAM INFORMATION - JALEN BRUNSON

Round 4 - Role 2

You represent the Dallas Mavericks and are entering into discussions with Jalen Brunson's Agent to negotiate a new contract.

It is 6:10 PM ET and Free Agency started 10 minutes ago. Jalen Brunson's agent has asked urgently to speak with you:

- Jalen is an Unrestricted Free Agent (UFA) after failing to reach an Extension during the 21-22 season.
- You are aware that the New York Knicks recently made transactions to clear cap room, and you believe that Brunson is amongst their prime targets.
- Jalen has developed into one of the better young guards in the NBA in his four seasons in Dallas and you value him immensely.
- Therefore, you would like to work with his agent to keep him in Dallas, but you are authorized to let him sign elsewhere if his demands are not in line with your vision for the team's future.

While these are the parameters you have been given, feel free to negotiate other terms that have not been mentioned that would be favorable to the Dallas Mavericks.
